To the House of Commons. The petition of the residents of Torbay declares that there can be no justification for the continual killing of innocent civilians in Gaza which has already included around 8,000 children. The petitioners insist that you request the House of Commons to call for an immediate cessation of the bombardment of Gaza by Israel. And the petitioners remain, etc.

Name	Full address	Signature	Contact (optional)

Please print out and get as many signatures of residents of Torbay as possible and hand in the sheet(s) to Sahri Cutz, 54 Union Street, Torquay, TQ2 5PS or text 07519280048 to arrange collection. Please do it urgently so can collect as many as possible to present to our MP.
